Subject: [External] NC WARN Letter to Ms. Good
Attachments: ltr 10-12-17 to CEO GOOD on IRP & CP25.pdf

CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you verify that the attachment and content are safe. Send all suspicious email as an attachment to report.spam@nc.gov.

Governor – attached please find NC WARN’s open letter to Duke Energy CEO Lynn Good regarding the continuation of building unneeded and costly natural gas plants. The NC CLEAN PATH 2025 demonstrates the clear advantages to a combination of solar and batteries. We hope you can take a leadership role in this transition.
